VTES TREVISO

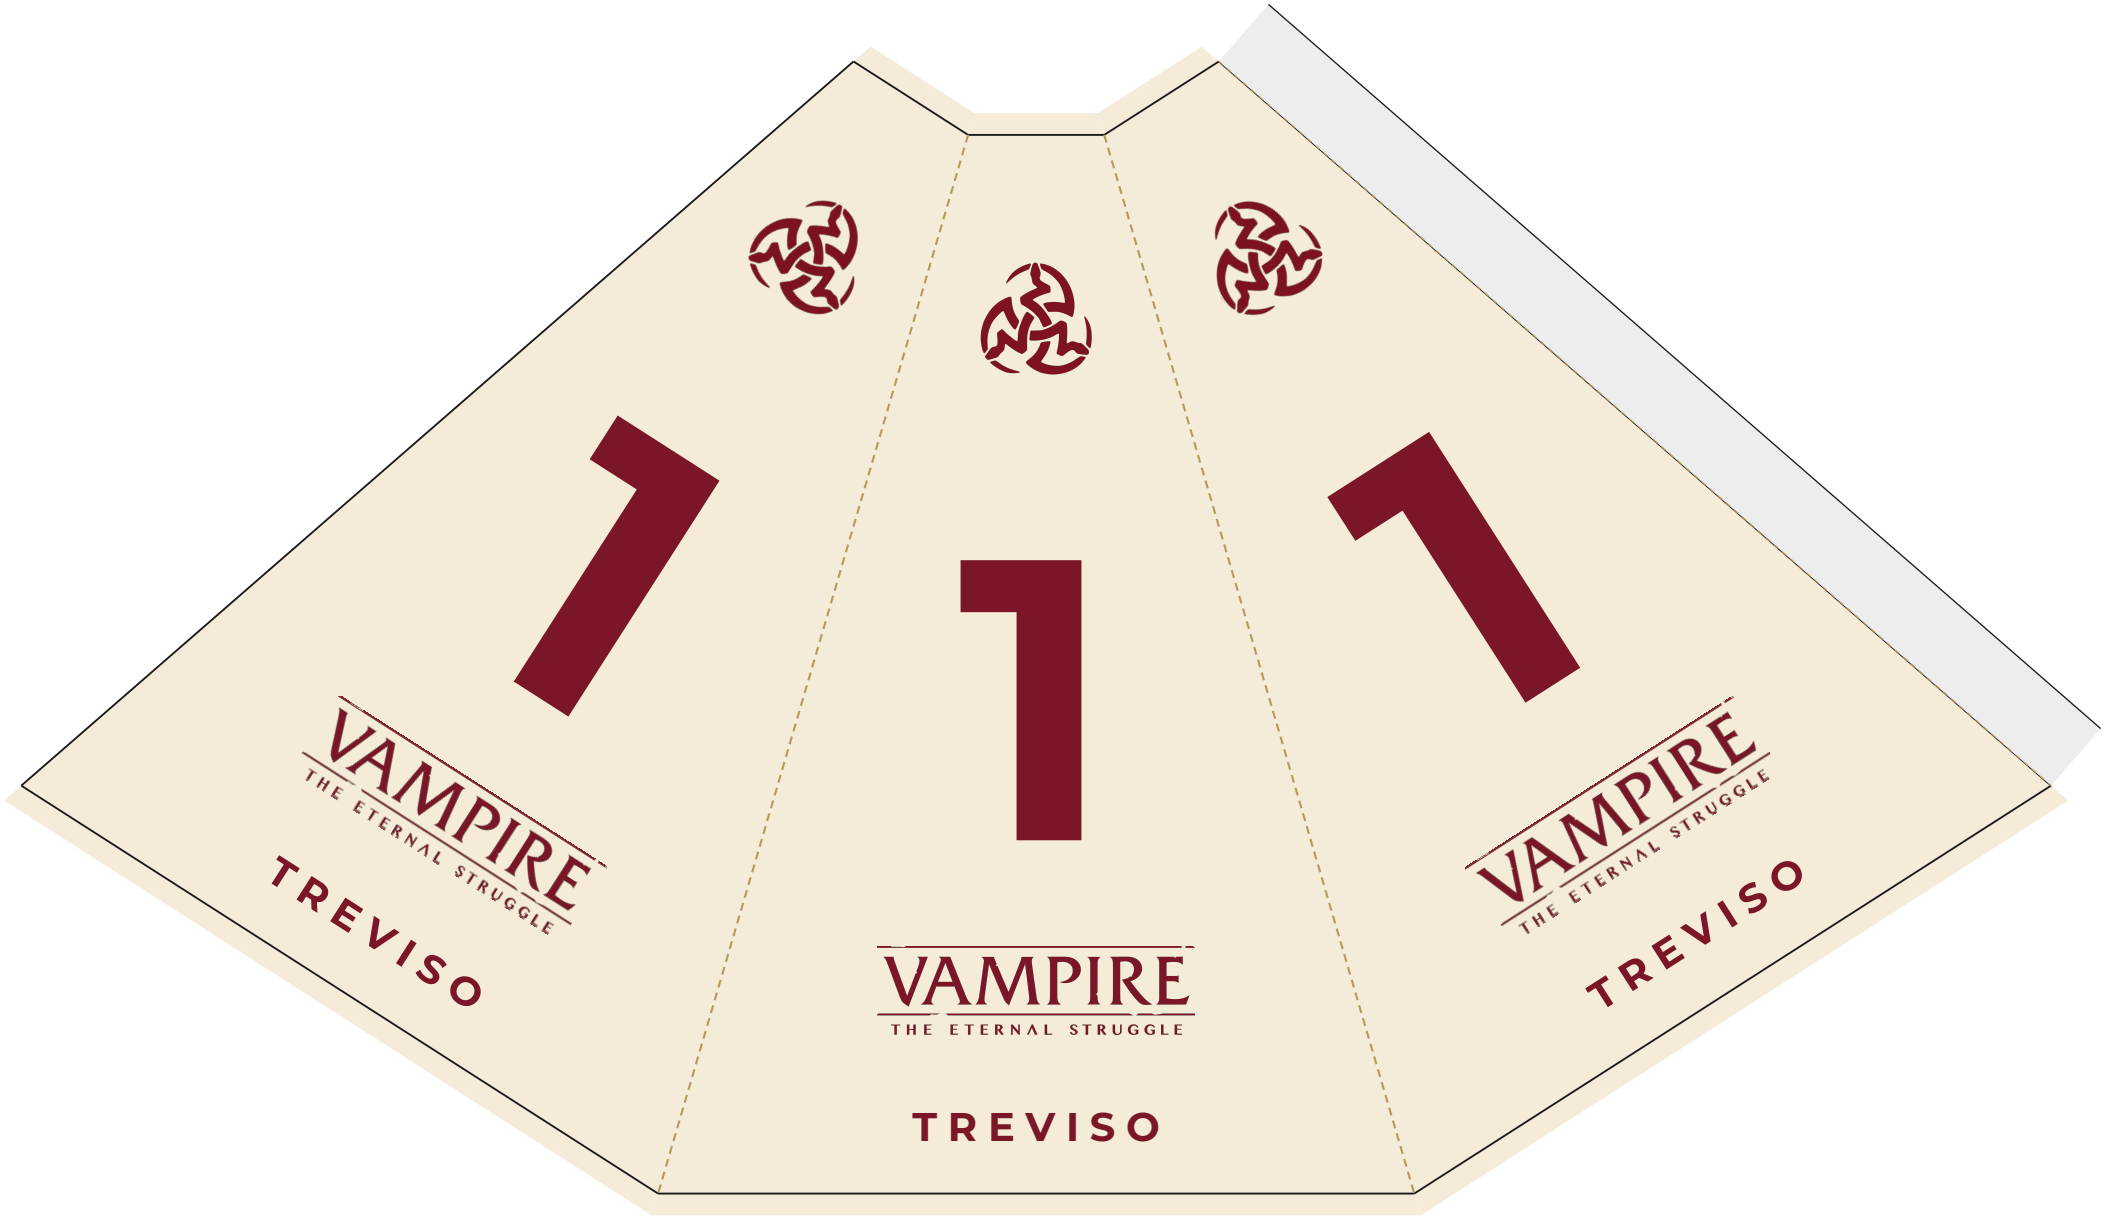

Segnatavolo ufficiali – Vampire: The Eternal Struggle

Istruzioni di montaggio

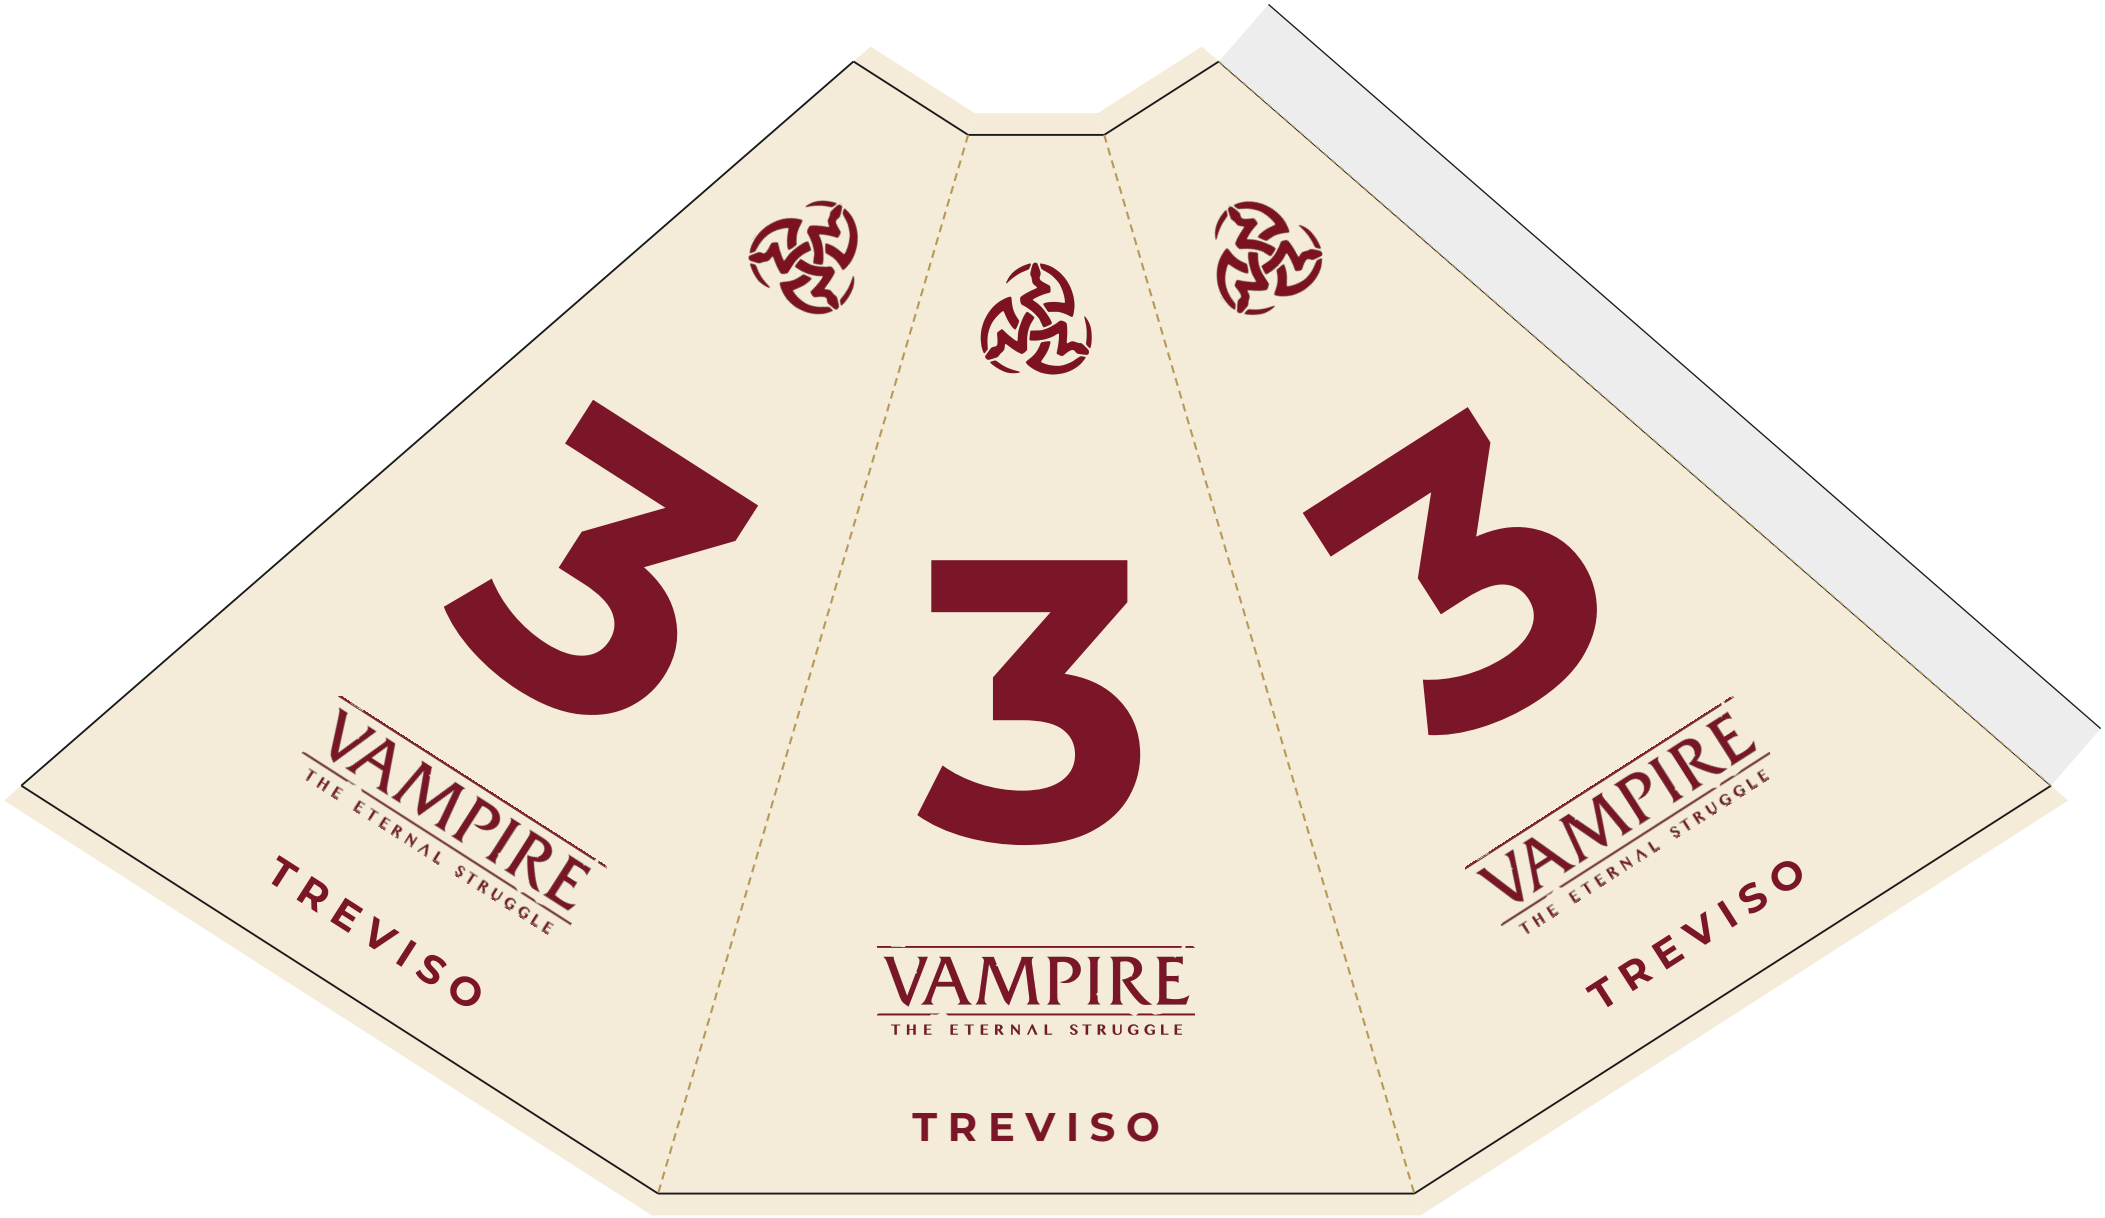

1. Stampa le 10 pagine seguenti su cartoncino bianco o avorio (consigliati 160–250 g/m²).
2. Ritaglia ciascun segnatavolo lungo il contorno esterno (linea nera), compresa la linguetta grigia.
3. Incidi leggermente con un taglierino le due linee di piega oro tratteggiate (lati obliqui interni).
4. Piega i due trapezi laterali verso il retro lungo le linee oro fino a formare un tronco di prisma triangolare.
5. Piega la linguetta grigia verso l'interno, applica colla stick e fissala dietro al primo trapezio.
6. Posiziona il segnatavolo al centro del tavolo: sta in piedi da solo grazie alla forma triangolare.

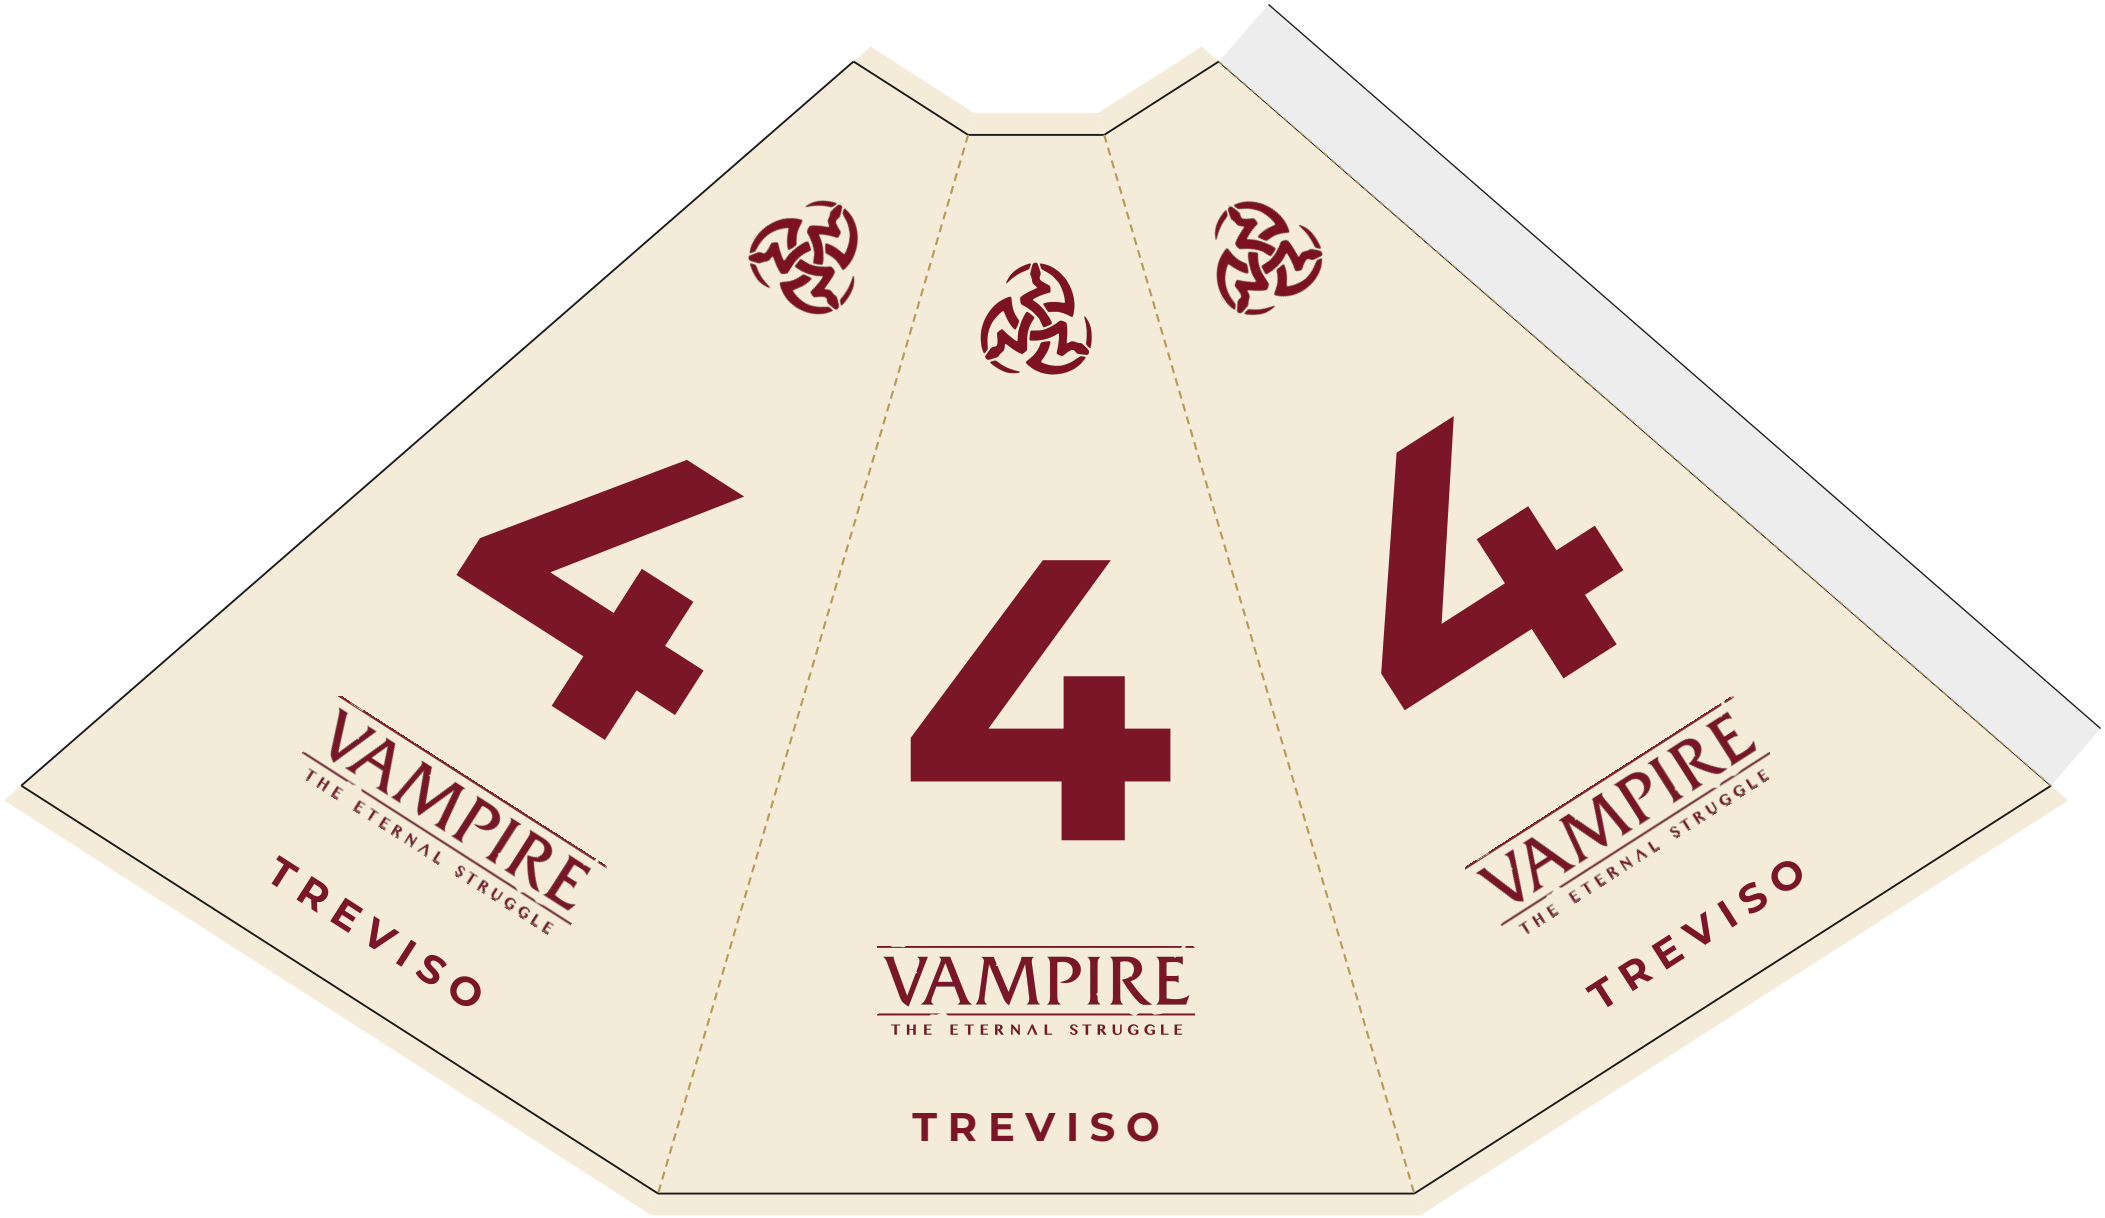

Suggerimenti

- Tronco di prisma triangolare: base 10 cm di lato, 1.8 cm in cima, alto 14 cm.
- Il numero è visibile da ogni lato del tavolo.
- Per un risultato più elegante usa carta avorio pesante o patinata opaca.
